*Message from the Leader of the Official Opposition*

*I am delighted to extend my warmest greetings to everyone attending the Chinese Canadian Conservative Association (CCCA) 35<sup>th</sup> Anniversary Celebration Gala.*

*I am truly honoured to join you in marking this significant milestone. This is a wonderful opportunity to highlight the CCCA's history of achievement. Since its founding in 1983, the association has diligently promoted Conservative principles and served as a vital link between Conservative politicians and the Chinese Canadian community.*

*The CCCA's tireless work over the years has only served to strengthen our party. As the prominence of Chinese Canadians has risen in our country's social, cultural and economic life, the association has encouraged the community's engagement in the political process. As Conservatives articulate a positive vision for Canada, the CCCA will continue to be an invaluable partner.*

*On behalf of the extended Conservative family, please accept my best wishes for a memorable anniversary celebration and continued success for many years to come.*

*Sincerely,*
